**CLIENT-CENTRIC
LAW FIRM**

FIRM PROFILE

Our firm was founded out of the compelling desire to offer high professional legal services to individuals, institutions and establishments globally and to grow to the highest standard of professional expectation through exposure to new and demanding challenges. This drew us together to start and register our firm and use our synergy advantageously.

Our firm was founded on the following principles, objectives and aspirations.

- (a) To provide consistent, quality and prompt legal services to all our clients globally.
- (b) Strict adherence to professional codes of conduct.
- (c) Ensuring and keeping the fundamental relationship of trust and confidentiality, which distinguishes our profession from others.
- (d) To provide high quality legal services focussing on full satisfaction of the needs of both corporate and individual clients.
- (e) To develop and ensure a good working relationship with our clients on the professional arena.

AREAS OF SPECIALIZATION:

In the broader perspective of serving various categories of clients, our firm provides composite legal services in the following fields of law and general practice.

(I) INSURANCE:

The law of Insurance is well developed in legislation and case law in East Africa.

Having studied and researched the law of Insurance and having practised in firms that specialise in this area, our partners are well versed on legislation, practice and case law affecting this industry in East Africa and internationally.

Our firm has the capability to handle any matter in the following areas;

- Motor Vehicle Insurance.
 - Aviation and Marine Insurance.
 - Professional Indemnity.
 - Fire and Burglary Insurance.
 - General Liability Insurance.
 - Reinsurance.
 - Policy Drafting and Underwriting Advice.
 - Claims and Dispute.
 - Legal Opinions on Liability under Insurance
- Our partners have also participated in numerous matters on insurance.

(II) LITIGATION:

Our firm handles litigation in the following areas.

- (a) Civil litigation.
- (b) Criminal litigation.
- (c) Arbitration.
- (d) Probate and Family related matters including Succession, Marriage and Divorce.
- (e) Adoption matters, custody and maintenance of children.
- (f) Succession causes.
- (g) Matters related to the Sexual Offenses Bill.
- (h) Traffic related matters.

The firm has established the following principles as central to the provision of legal services in this regard.

- (a) Initiating mechanism in order to undertake suitable and effective action to obtain injunctions, have them discharged, obtain stay of execution, set aside judgments obtain interlocutory and summary judgments, reviews and appeal on matters and to obtain orders to protect our clients' interests.
- (b) Creating a good working relationship with the courts at all times.
- (c) Ensuring fast and speedy trials.
- (d) Thorough preparation of cases before hearing.
- (e) Research mechanism in several fields of law.
- (f) Keeping our clients posted and supplying them with copies of judgment and rulings whenever required.
- (g) Holding conferences to prepare our clients for trial.

(III) AVIATION, CARRIAGE BY SEA AND MARITIME LAW:

The growth of the aviation industry in Kenya has led to the development of aviation law in the country. We undertake matters in the following areas;

- (a) International Insurance Policies.
- (b) Advice on liability claims (cargo and passengers).
- (c) Analysis of International Conventions.
- (d) Advice on Licensing Air Transportation.
- (e) Aviation Accidents.
